| TOTAL FEES | | | |

*Thursday May 17 and Fri May 18 are school closure days. Students writing IB exams those days are responsible to arrange for their own transportation.

The IB fees are due by October 27, 2017 and will be added to the school-based fees. Upon completion of each course, internal and/or external IB assessments and the IB exam, students will be refunded the exam fee (minus the registration fee), by Elk Island Public Schools.

I agree that the above information is correct, and that I have read the document "[General regulations: Diploma Programme](#)".

I understand that students who drop a course after the fee payment deadline of October 27, 2017 will not receive a refund for their registration or exam fees.
