

Thursday, April 10, 2025 – Day 1

Geese are protected by the federal Migratory Birds Convention Act and the provincial Wildlife Act. Please avoid contact and be kind to our feathered friends. The adult geese are very protective of their nest and it is important to avoid interactions. This is a very stressful time for geese. Give them space!

Students, please be advised that Salisbury has been selected as a Federal Election polling station on Monday, April 28, so parking will be challenging for that day. Please remember to park in the student designated parking at the front of the school or in Festival Place. Thank you in advance.
